“ *Sandra  
We were like my big sister growing up and we had many wild and crazy adventures growing up (most not approved of by your father). We helped each other through some bad times, but always had a great time together. Many road trips and just fun overall. I miss your laugh, which was infectious. I know you are in a much better place after your long struggle.*

*Love Ya,  
Rick*

“ *To My Dearest Cousin Sandra,  
I know you preferred to be called Sandy, but you'll always be Sandra to me. You were the first of the babies born to a group that later became my cousins, and I love you all. I have great and fond memories of you, and of us as we laughed and played growing up. Those were such good years. You'll be missed by friends and family alike, but we know you're in the good hands of God. I believe that I'll join you there one day. Rest in peace but have fun there in heaven. I've attached a photo of good times we had as kids.  
I love you Sandra.

“ I remember Sandy well. I was just recently thinking about her as I was recollecting on my mom's life. My mom, Janet, and Sandy were good friends and Sandy spent many hours with at Sports Unlimited. I used to go into the store after school and chat with her. I vaguely remember going to her house when I was much younger. I hadn't seen Sandy or her family in many years and was sad to see this. I hope her family finds peace.

“ To my one and only sister. You will always be in my thoughts and prayers. You were such a wonderful person and thought of everyone. She was a person that if someone was sick or had a birthday she would find some little angel put in a gift bag and take to them.(what a big heart) We lost you 3 1/2 yrs ago due to the stroke and I know now that god has taken you that you are in heaven. I know that for sure. I love you Sandra, Your sister, Judy Cole
