“ Another classmate lost too soon. We will miss Sally at our luncheons. I'm just sorry we didn't get a luncheon in this year before Sally's passing. My thought so and prayers are with Sally's family at this time. Dolores Brennan Cairl

“ A lifetime of memories, some great, some not so great. That's the way it is with true friends. We were there for each other no matter what and we'll be together again someday in a place where the memories never end. I'll meet you at the beach Sally!

Much love and many hugs to you kids, I'm so very proud of you all.

Sue, Mimi, Rusty and Rich, I know what it is like to lose a sister. Much love and big hugs you all as well.

Love Terry

“ My deepest sympathy to Sally's family. Sally was a good egg, easy to be with and fun loving. I went to high school with Sally and just recently reconnected with her for classmate luncheons. So sorry to hear the news of her passing. Michele Strohl
