“ I had the pleasure to grow up with a few of Scott's nephews who are a great group of good guys! Scott was an awesome man and for the amount of time I knew him he was always cracking jokes and being a funny guy. I had jut got outta the army and needed somewhere to deer hunt this past deer season and no questions asked he was like come on up and hunt on my parents land with me I have tree stands and all that just bring a gun. Made me pretty happy that I hadn't even asked yet and he was already telling me where to go. I'll miss seeing him at KO every Thursday before pool league telling each other that we hope we win at least 1 game tonight. Rest easy Scott! Look over all of us and keep everyone safe!
