“ I’m so very sorry for your loss, my thoughts and prayers are with the entire family. I met Scott at GTE Sylvania, we both began our careers around the same time. Scott and I very quickly became good friends. He always made me laugh with his quick quips and jokes. Oh there are so many funny stories that we shared over the years. I think the funniest is the one that Scott always told about the night that he spent the night at my house. Rest in peace my friend, I will miss you and I will always cherish our friendship.

“ Nelson and I are so sorry for your loss. Scott was our neighbor most of his life and I had the pleasure of teaching Ross in third grade. He was so good to his dad and my mom always mentioned the delicious meals he would bring to them. The memories will keep him with us in our hearts.
