“ *Shirlee was a prolific member of the Endless Mountsin Quilt Guild. She always shared her skills with those of us less experienced with grace and fun. Her quilting work was beautiful and her many creations have made her memorable to many other quilters. Our deepest sympathy to her entire family. 🙏*

“*Walt,  
Tim and I send our condolences. Sherlee was as a wonderful woman. Even though it will be 45 years for us, I remember how helpful she was to design our invitations. It was so nice seeing the two of you last fall.

“*First, condolences to all of Shirlee's family. Walt and girls....seems not that long ago I was part of both your mom and dad's lives. They gave me a chance for a job in 1973. It was a wonderful experience for the short 5 year period. They were not just employers but became mentors, substitute work parents but most of all dear friends. I'm elated we were able to have a face to face visit last fall. It will always be remembered as will Shirlee. A kind and considerate human that will forever be missed. It was my pleasure to have been allowed to be a part of their lives as well as all the girl's growing years. So sorry to all of you for this loss. Love always, Brenda*
