Good morning...

In reflecting over the last month and all the attacks each family has had..

Our family has been under attack since Mom's passing... We now have to carry on with our own prayers.. Her own prayers, through God's Word are still over each one of us from the oldest to the youngest..

Some of her prayers:

... II Tim. 1:7 For we are not born of a spirit of fear, but of power, love and a sound mind..(self-control)

...Eph.6:12 For our fight is not against flesh and blood, but against principalities , against power, against rulers of darkness of this world, and against spiritual forces in heavenly places..

...I Cor 13:4,7,8 Love suffers long and is kind...bears all things, believes all things, hopes all things, endures all things... Love never fails

... Phil. 4:19 But my God shall supply all your needs according to His riches in Glory by Christ Jesus.

...Isa 54:17 No weapon formed against you shall prosper..

Every grandchild, great grandchild who came to visit, she prophesied into your life.. It was God through Gramma speaking life into you.. What she spoke over you still lives, God's Word does not lie..

It will not return void

Isa 55:11 So shall My Word be that goeth forth out from My mouth: It shall not return to Me void, but it shall accomplish that what I please..

(Capitalization of Me, My, I is God speaking...)

We are blessed to have such a great patriarch over our family..

We are blessed to be a blessing..

“ Dear Cousins,

Aunt Shirley had a notable greeting. It usually went something like this: "Well hello, Cassi. Gosh, it's nice to see you. I like your haircut (or top...or necklace...). She made you feel like she was really seeing you in a meaningful way.

On the evening of August 8, 1974, Aunt Shirley called Donna, Beth, and I into the house from playing in the yard. Richard Nixon was announcing his resignation from the presidency, and Shirley thought it might be a once-in-a-lifetime thing for us to witness. Throughout my life whenever Nixon's resignation speech is mentioned, I flashback to standing in Don and Shirley's living room where I saw it happen.

I always enjoyed visiting your home, but I usually had the thought that Shirley didn't need one more girl hanging around. Your mom NEVER made me feel that way. In recent years when I stopped by to see her at the Manor, Shirley often recommended an inspirational book.

I am sad for your loss, for our family's loss, for the end of our time with Harkness aunts and uncles.

*Much love and light to you all,
Cassi*

“ Wonderful memories of Shirley, especially times spent at her home cutting and sewing and creating wonderful quilts!! She always made sure I would have a magazine and some fabric when I left at the end of the day!

“ Dear Mary and family,

I'm so sorry to hear of the loss of your mother. I have found memories of her from being at your home. She was so loving and kind. After all these years, I actually think of her often when I make that yummy rigatoni recipe she fed me one time. I send comforting thoughts and prayers to all of you.
