“ I remember Shirley as a loving, caring compassionate person who loved her family with all her heart. She had a zest for life and handled all that life threw at her. She also had a wonderful sense of humor. Shirley bowled and I bowled. She would come up to me while we were bowling and say "Hi Moe". I don't know where that came from but it was funny and we always smiled about it. It stuck for life even a few weeks ago when I saw her for the last time. Shirley I love you and God Bless you. Love, Margo Davidson
