“ I am so very sorry for the family's loss. Steph was a very special person and you couldn't be sad or unhappy when she was around. While everyone on this side of heaven will miss her, "I can only imagine" the dancing she is doing now! When she would share in chapel at North Rome Christian School, she would introduce "Fred", her artificial leg and she would tell the students all that she would be able to do with two healthy legs when she graduated to heaven! She shared life and her love for Jesus to everyone she knew and touched so many. May her legacy live on through her friends and family.

Blessings,

“ I was so sorry to learn of Step's passing. Always looked forward to seeing her and Lyndon while down hunting from NY and visiting on any and all subjects. One year when my brother was sick she played host to him until he recovered. She was always upbeat despite her many ailments. She will be missed.
