“ *I have been a friend of Steve since I came to The Valley in 1989, and he was my upstairs neighbor for 17 years. We shared a love of music, and he always enjoyed hearing me play guitar, never minding the loud volumes. Always a great friend and neighbor, I miss him terribly. My heart goes out to his family, because a truly kind hearted person is missing from our lives. I will remember you every time I play, Steve.*
