“ I will never forget Steve. I remember Steves first day at work when he was hired at the northern Tier career Center 32 years ago. I called him Fuzzy Wuzzy and his smile was worth it. He deserves a metal of honor for being the hardest working employee I have ever known. Steve and I wondered why are so many people so mean and so different, but he knew that having a family was the best gift to have. I will sadly miss our talks. Life is short so steve is right, be nice to people and work hard for a living! BRENDA LAMB ULSTER PA
