“ Firstly, I would like to say Summer was a very beautiful woman. The last couple times I spent time with her, which was recently, (Thankfully), was pleasant. We had some quite in depth conversations about many things over grapes the first time and coffee and ice cream the second. The best part of the last two times I spent time with her, was the gigantic hug that I got before I left the house after we were full on mint chocolate chip ice cream. Summer will always be a motivating force in my life, and with that being said I would like to say I know she will rest in peace. Love you Summer.

Summer was an amazing friend, anytime I needed someone to talk to no matter what time of day or night she would respond and talk to me about anything. She always had a good heart and spirit upon her that could cheer you up and I will greatly miss that about her. May you R.I.P. Summer and keep a watch up there over all of your family and friends and I will always remember the great advice you gave me that was always kept to myself when I was down and out. The kind words of wisdom and the caring words you brought into me. I will miss you dearly love!!

“ *My heart is saddened with this news. Summer was an amazing girl!!! I did her hair for years. She always had me step out and try something out of my comfort zone and was so patient and and supportive as I did. I loved her spirit and the love she had for those around her. We laughed together and some tears. I'm not able to be there in person, but I'm praying for you all! She will be greatly missed. It's not goodbye, but see you again!!*
