“ *Wendy and Beth I worked with your Mom at the VA for 18 years. She was a good friend and a very caring nurse. She spoke very highly of you both and was happy to retire to spend more time with you girls. God bless you.*

“ I have so many wonderful memories of Suzanne. Coffee hour after church, lunches, bus trips to shows and concerts. Working together setting up birthday parties for our ladies at Personal care and setting up luncheons at the church. She was such a good friend, always concerned about everyone and giving love and support. I will miss her as will we all. Rest in peace Suzanne and we will meet again. Gods comfort and blessing to her family and friends that loved her.

“ My heart goes out to Sue's family. That is where she will be now-in our hearts. I will miss her at TACO standing across from me and chatting while filling orders. I loved that time. I first met Sue when I had her daughter Beth in third grade at the Wysox School. Blessed are they who mourn for they will be comforted. RIP Sue.

“ To Beth and Wendy...

*My heart breaks for you and your families. Your mom was like a bonus parent to me and I will always have the memory of her kindness (and delicious baked treats) in my heart. My most vivid memory of your mom's compassion was when I was eight years old. I had stitches and they needed to be removed. I was anxious about the hospital and she offered to remove them for me so I didn't have to go back. I sat in your bathroom and she very carefully and gently took them out. I didn't feel a thing. She was a caretaker to her core. I'm blessed to have had her as part of my childhood. ❤️*
