“ *My heart was so saddened to hear the news about sweet Terilyn. I had the honor and privilege to teach Terilyn for two years at the Wyalusing Elementary. I often think about her and recall those big, brown eyes and her sweet disposition. She would walk with me or Mrs. Henry at recess and regale us with tales that always amused us! When I changed schools and went to Laceyville, Terilyn would send me notes via a traveling teacher. We kept in touch for many years in this way. She will always hold a special place in my heart. I send my sincerest sympathy to Terilyn's family.*
Sincerely, Shirl Them

“ I had just gotten my pet julianna piglet, and she was tiny. Teri fell in love with her and wanted to come hold her so so bad and when she finally got around to it, she came up to my house after work and met smudge (the pig). She wanted to hold her but she was scared as hell because of the noises she made so she held her for a split second and yelled “get the picture!” We got the pic, then she said “okay okay okay em take it take it” and I grabbed the pig and she was laughing and says to me “okay now you hold the pig next to me in a picture so I can get a better one” 😊 might not be that funny, but with the pictures it is.
