“ Sadly came across this when I couldn't reach Fuz. We always would check in and I got worried. So many awesome memories. I met Fuz through my cousin Bobby Lee / boop. I always considered him family. He was so good to my grandmother when she was alive . I can't tell you how much I will miss our talks and visits. I enjoyed every moment going up to visit. Life will not be the same with out his happy voice. It took days for my ears to recover after he shot is shotgun right next to me. Haha saying afterwards cover your ears. I yelled hey warn before not after butthead . Still makes me laugh. He will be remembered with a smile . My condolences to everyone.

“ I have knew Terry (Fuzzy) for 5 years. Fuzzy was a terrific man. Even when things weren't great for him, he was always positive. If you ever needed anything he would be there to help. He loved his animals and working the land. He will be greatly missed.
