“ *Steve & I were honored to have Aunt Thelma & Uncle Floyd for neighbors for 18 years. They were always lending a hand & offering bounty from their vegetable garden. We'll always remember the front porch visits & evening walks around their gardens. Even after Uncle Floyd's passing, Aunt Thelma would greet us cheerfully. After our visits, she'd reach into her big chest freezer to make sure we had some homemade delicacy to take with us. She was a lady with a big heart & much concern for others - we'll miss her!*

“ *Our deepest sympathy to your family. I use to come to your house as a child and you all also came to ours. Your mother was a lovely person! It is with fondness I remember her.*

Wonderful to know she is in Heaven now! May this comfort you!
