“ Our hearts are broken at the loss of your beautiful daughter and sister. We cannot imagine the grief you are experiencing, but I know our Lord has been watching over her. She lived her life with joy, surrounded by friends and family. She is now your guardian angel and I'm sure you will feel her surround you with her love every day. I hope you can find comfort in your memories, and knowing that you will see her again some day. May God Bless you and your family.

“ To one of my Beautiful Throwers, I love you very much!!

*The angels looked down from heaven one night
They searched for miles afar,
And deep within the distance
They could see a shining star.*

*They knew that very instant
That the star was theirs to gain,
So they took you up to heaven
Forever to remain.*

*Look down on us from heaven
Keep us free from hurt and pain,
You'll always be within my heart
Until we meet again.*

“ Yesterday we learned of the unfortunate and untimely death of Tiffany.

There are no words to describe the utter grief that we are feeling. We cannot possibly imagine the sorrow that has been thrust on her family. We will always remember fondly the experiences she has brought into our lives.

Tiff was taken from us too soon. We all share the sentiment that it feels a little unfair that a smart and talented young girls' life has ended with so much living left to do.

During this difficult time we'd like to extend our sincerest condolences to the Fleming family. Our thoughts and prayers will be with you.
