“ I remember back when we were younger I was like 13 I think and Timmy and my brother had broken into my parents wine cabinet and stole a bottle of wine that my parents were saving well my brother had left for some reason and Tim stayed at my parents house and was suppose to wait for my brother to get back well he had the bright idea not to wait for my brother and asked me to drink it with him and of course I said yes and well we looked all ove the place for a corckscrew to open it and couldn't find one so we piece by piece tried to pry the corkscrew out with a knife which made pieces go into the bottle of wine but we managed to get to the wine and drink it which I mind you was the nastiest wine we had ever tasted but we drank it spitting out pieces of the corkscrew... my brother wasn't happy!
