“ My heartfelt sympathy goes out to Ed, Theresa & the rest of Tim's family. I went to school with Tim since 1st grade - I remember him sitting for me while I completed a pencil drawing of him in art class at St. Agnes that I probably still have somewhere! He was always such a great guy and I feel blessed to have called him a friend. I recently would run into him quite often dining out with his dad and we always made time for each other, even if it was just for a couple of minutes. He will surely be missed and may you all lift your hearts with wonderful memories of him.
