“ My heartfelt sorrow for the whole family. It's not easy to lose a person so young. Holidays are some of the hardest times. Memories of fun times help carry you through this. I believe their soul stays with you so include him in you daily life. I lost my brother at the hands of another 24 years ago and still have his presence around me. Love and peace to you all. Nan

“ I send my sincere condolences to your family. I can't imagine your heartbreak. I didn't know TJ that well except for the interaction we had when he worked at Taylors/Cargill. He was always very kind. May the Good Lord Watch over all of you in your time of need.
