“ Uncle JoJo and the rest of the family, my thoughts and prayers are with you at the sad time. Todd was always my favorite cousin. When we played any kind of ball, I wanted to be on his team. I will never forget when he was in Mr. Victory's class in high school. We all hated him. One day I got a migraine and Todd came to get me and I sat in his car and procedeHe and the rest of your family was such a part of my growing up. This has been a sad. Year for all of us.
