“ To Anne, Sarah, Matt, Danny, Michael and other loved ones of Vince:

*There are not adequate words to express the deep sadness we feel since hearing of your loss. Clearly Vince was a successful man, a brilliant corporate lawyer..... but he was SO much more. He "gave back" to many organizations in his community but I will speak of only one very special one.*

*For almost ten years he served as VP and Chief Counsel on the Board of Directors of Health Ministry of the Southern Tier (a federation of free health centers for the uninsured).*

*He was dedicated and active and put in many hours even while still working for Corning.*

*On behalf of the HMST Board and Volunteers I extend our sincere and heartfelt sympathy.*

*My thoughts and prayers go out to the whole family as you heal. I wish for you great joy as your treasured memories fill your heart with joy, love and peace.*

“ *Anne and family,  
Our deepest sympathies, thoughts and prayers for your family as we learned of Vince’s passing. Vince was a key member of the Corning team that, along with Mitsubishi Heavy Industries, founded the joint venture CORMETECH and was its legal counsel for many years afterward. This joint venture that Vince helped create and support has positively impacted the lives and careers of literally hundreds of people in Durham, NC and Cleveland, TN communities. We have made a donation to Covenant House in Vince’s memory. May the cherished memories bring you solace and strength as you go through this time of mourning.*

“ Anne and family,  
So sorry to hear of Vince's passing. I was talking with Brent this morning and he remembered many great conversations about hunting and fishing with Vince. He also talked about Thursday night dinners that you made Anne for many of the players at East. May God's peace surround you and your family at this difficult time.
