“ Oh, please don't feel guilty
It was just my time to go –
I see you are still feeling sad
And the tears just seem to flow.

We all come to earth for our lifetime
and for some it's not many years –
I don't want you to keep crying
you are shedding so many tears.

I haven't really left you
even though it may seem so –
I have just gone to my Heavenly home
and I'm closer to you than you know.

Just believe that when you say
my name, I'm standing next to you –
I know you long to see me
but there's nothing I can do.

But I'll still send you messages
and hope you understand –
That when your time comes to
“cross over,” I'll be there
to take your hand. My condolences to the family we will Miss him
dearly
