I was so saddened to hear about Walt's passing. I only knew him from the Wells Mill Gas station but he seemed to always be there (for years). So friendly and helpful. I came to appreciate his constant presence when I needed gas for the car or to fill a tank for the lawn mower. I will truly miss him.

“ Im so very sorry for your loss. Walter always had a smile and was one of the kindest souls to roam this Earth. One time I was in a bind with fuel oil and couldn't afford a big fill my kids were little then and he loaned me a couple of jugs to pay for & transport just enough feul until payday. I returned his jugs but was ever so grateful and never forgot his kindness. Heaven gained a good one. RIP Walter I will never forget you 🙏🌸🌸

“ I'm writing this for my friend Carol who always talked about Walter. She was very fond of him and would always tip him and give him a snack. The few times I was with her he was the sweetest nicest guy I had ever met. We hope he's flying high with the Angels! May his family and friends find peace in the memories of him.

“ We here at Sherwood Groves were sad to hear of the passing of Walt. Walt was a permanent fixture of Wells Mills and was the BEST! He always took care of us with a smile and a warm hello. Walt will be sorely missed. May God wrap you all in his arms and keep you in your time of grief. We will be praying for all of you.

“ I was so sad to learn of Walter's passing. I got to know Walter at Welles Service Station. Walter was always courteous and helpful, giving great service when I stopped for gas. Even though the sign said "self-service" on the gas for mowers, if Walter wasn't busy, he would come right over and help me with my gas cans. I so appreciated it. Walter was a good, good person. I'm going to miss him and our talks. He will be missed and remembered by many.

Walt was so friendly at his job. He always made us feel like we were good friends and yet we hardly knew him. From what I'm reading from all the comments learning of his passing, he made everyone feel that way. He will be missed.

“ I will miss seeing your face and smile,you were the hardest working man i ever seen.I remeber pulling in one time in the winter and you had about 4 inches of snow on you and i asked if you were cold and you told me not to bud but had to do what you had to do.I also remember when i traded cars and when you came up to the window to tell me i had to push a button to open the tank i had no clue so you said mind if i show you and i said by all means so you showed me what to do and you said man i should have known you by your license plate but you fooled me this time but now i will remember your car and you remember to push that button when you get gas. What a wonderful person and i will never forget you ..<3.....

“ *My heart felt sympathy is with Walt's family.*

He was not just the man who pumped my gas, he was a friend that made my heart smile with every visit to the pump.

It was impossible to not leave with a smile from inside in out. If I pulled in with any thing on my mind distracting me from joy not only did my car leave filled but my heart did as well. In just a short visit as my car was being fueled we would talk of this that and the other. Id ask him advice on something about my car, or a product etc and he would share with much wisdom as well as a unique and joyful way of delivery in his comments answers and stories.

he is already and will continue to be missed emensly!

God bless you all as your grieve Walt, a great loss and may the peace of God comfort you all and Walt rest in the peace of the Lord Jesus Christ ! Until we meet again Walt , filler up!
