“ I met William at Infantry Basic Training at Fort Benning. I quickly realized how selfless and genuine he was towards everyone he came in contact with, including myself. When we last spoke he told mentioned to me he would be commissioning in December. I wasn't surprised at all because I knew he always had the heart of a leader. My heart and deepest condolences go out to his family and loved ones. To my brother, I carry on for you. Until we met again. 🇺🇸

“ *Over 8 years we watched William grow into a very dedicated and determined well rounded man. He was always fun to be around, and full of hugs. The kids always enjoyed how playful he was. He always participated in silly activities with them. William was and always will be family. We are going to miss his smile, laugh and personality. Our love and prayers are with everyone who lives he touched.*
